

The New Mexico Wine Festival and the Sandoval County DWI & Prevention Program urge you to select a designated driver.

While attending the Wine Festival, enjoying the many arts and crafts, sampling traditional foods and if you are not consuming alcohol, the Sandoval County DWI & Prevention Program invites you to become a Designated Driver. This will help to ensure that your friends and family get home safe. If you are interested, please stop by our booth when entering the festival and sign a Designated Driver Pledge.

As a Designated Driver you will receive free refreshments at the Sandoval County DWI & Prevention booth while attending the event plus a Wine Festival T-Shirt indicating you are a "Designated Driver".

PLEASE COME BY AND SEE US!
